Smart Mobility
FRAMEWORK

A Stakeholder Workshop

We invite you to participate in a workshop that will build a foundation to implement Smart Mobility for transportation in California. This one day meeting will advance a collaborative initiative between Caltrans, the Governor's Office of Planning and Research, the State Department of Housing and Community Development, and the U.S. Environmental Protection Agency.

The workshop will offer an opportunity to provide input on a draft Caltrans Smart Mobility Handbook, which includes:

- Smart Mobility definitions, visions, benefits, and principles

- Smart Mobility place types and guidance for smart mobility applications in different parts of the state

- Performance measures to implement Smart Mobility principles

Workshop participants can also attend educational sessions to learn about the latest tools, techniques, and research for applying Smart Mobility principles.

When:
June 16, 2009
8:30 a.m. – 5:00 p.m.

Where:
Sacramento Convention Center
1400 J Street, Sacramento

Please RSVP by June 9 to Tammy Roberts by sending the attached registration form to: tammy_roberts@dot.ca.gov.

For questions, contact Chris Ratekin, Senior Transportation Planner, at chris_ratekin@dot.ca.gov.
